Council Connection

Recent Council actions from July 7 meeting:

- **Trail Extension and Rehabilitation:** Council accepted the bid from Rum River contracting for the 2014 Trail Extension and Rehabilitation project in the amount of \$279,072.77. The project will include the rehabilitation of the existing trail along the north side of County Road I from Lexington to Hodgson Road and a portion of the trail through Bobby Theisen Park. A segment of trail will also be added in Shamrock Park. In addition, a trail will be installed along the east side of Lexington Avenue Between Royal Oaks Drive and Rice Creek. This trail extension will complete the trail/sidewalk system along Lexington Avenue from County Road D to County Road J.
- **Minor Subdivision:** The Council approve a minor subdivision request by Moser Homes, Inc. to divide the property at 3339 Victoria Street into two parcels for single-family residential development. In 2013 the City of Shoreview acquired the property with the objective of resolving long-standing housing and property maintenance conditions and redeveloping the property with housing that supports the City's housing goals.
